

EDWARD IJERUH

Frontend Developer

Ibadan, Oyo, Nigeria

Email: ijeruh20@gmail.com

Portfolio: edwardijeruh.netlify.app

PROFESSIONAL SUMMARY

Frontend Developer with 3+ years of experience building responsive, accessible, and scalable web applications using React, Next.js, TypeScript, and JavaScript. Experienced in developing reusable UI components, integrating REST APIs, optimizing application performance, and translating Figma designs into production-ready interfaces. Strong understanding of modern frontend architecture, accessibility standards, and collaborative development workflows.

TECHNICAL SKILLS

Frontend: React, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS

Tools: Git, GitHub, Vite, npm, VS Code, Chrome DevTools

API & Data: REST APIs, Axios, Fetch API, Firebase

Testing & Debugging: Cross-Browser Testing, Responsive Testing, DevTools, Jest Testing

Performance & Accessibility: Mobile-First Design, Lighthouse Audits, WCAG Standards

AI & Productivity: Prompt Engineering, AI-Assisted Documentation, Debugging & Research

PROFESSIONAL EXPERIENCE

Frontend Developer | LanderCraft Technologies (Remote)

May 2025 - Present

- Delivered responsive React and TypeScript applications that improved user experience across desktop and mobile devices.
- Built reusable UI components that accelerated feature development and improved consistency across multiple pages.
- Enhanced application accessibility, performance, and cross-browser compatibility, resulting in a more reliable user experience.
- Collaborated with designers and engineers through code reviews and Git workflows to ensure timely delivery of high-quality features.

Business Applications Contributor | Ibadan Electricity Distribution Company (IBEDC)

January 2024 - October 2024

- Contributed to internal business applications that supported operational processes across multiple departments.
- Implemented user-requested UI enhancements that improved usability and streamlined day-to-day workflows.
- Supported API integrations and system updates, helping maintain accurate and consistent business data.
- Participated in stakeholder meetings and staff training sessions, improving user adoption and system effectiveness.

Frontend Developer Intern | Cinfores Limited

July 2021 - September 2022

- Assisted in developing responsive web applications that delivered a consistent experience across browsers and devices.
- Identified and resolved frontend issues through testing and debugging, improving application stability and usability.
- Supported the implementation of UI components and layout enhancements that improved overall user experience.
- Collaborated with senior developers in delivering frontend features and maintaining project quality standards.

PROJECTS

TasteHaven | React, Tailwind CSS, Firebase

- Developed a food ordering platform with authentication, cart management, and checkout functionality.

EchoMind | Next.js, TypeScript, Firebase, Cloudinary

- Built a blogging platform featuring authentication, content management, and media uploads.

EDUCATION

B.Sc. Computer Science
Afe Babalola University, Ado-Ekiti
2019 - 2023

Second Class Upper Division (2:1)
